

How do I switch off the display of metrics on my profile?

Login to start:

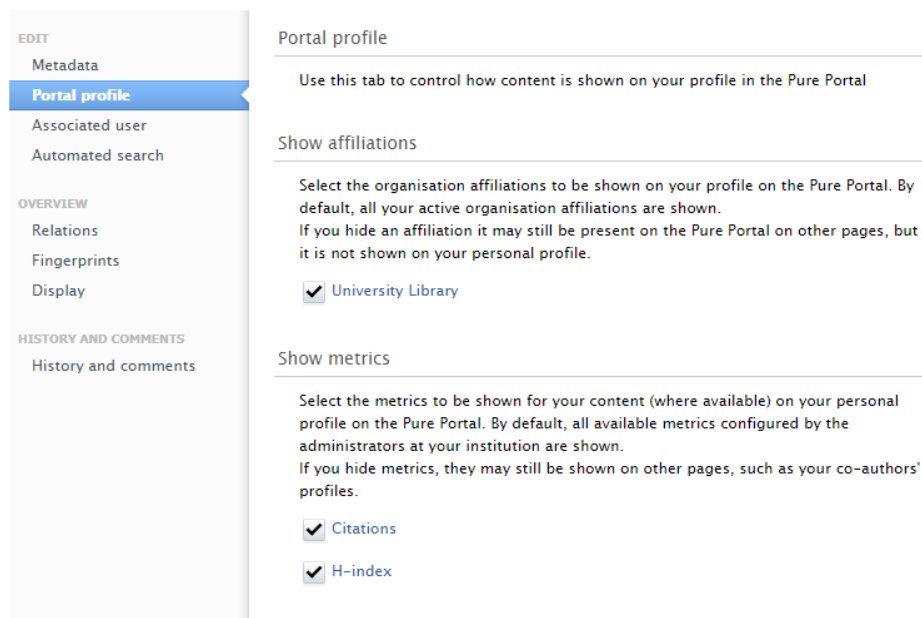

1. Go to the [UWA Profiles and Research Repository](#)
2. Click on **Profiles and Research Repository login**:
3. Log in with your UWA login (Pheme) details

1. Click on **Edit profile**.

2. Select **Portal profile** from the menu on the left.
3. Under the **Show metrics** heading, tick or untick the **Citations** and/or **H-index** boxes according to your preferences.

4. Click **Save** at the bottom of the record.

Remember: When updating fields in your profile, the **Create** or **Update** button will apply your changes, but you will still need to press the blue **Save** button to retain any changes (this is always located at the bottom of the record window).
