How do I add Activities, Prizes and Press/Media information to my profile?

Prizes, Activities or Press/Media you add to the UWA Profiles and Research Repository will display as separate tabs on your public profile.

These instructions describe the process of logging into the UWA Profiles and Research Repository and demonstrate how you can add Prizes, Activities or Press/Media to your profile. It also demonstrates how you can create links from those records to other related content in your profile.

Login to start:
1. Go to the UWA Profiles and Research Repository
2. Click UWA Profiles and Research Repository login
3. Log in with your UWA login (Pheme) details

Adding Engagement/Activities

1. Once logged into the UWA Profiles and Research Repository, hover over the Engagement/activities content type to reveal the + symbol, then click on the symbol to add a new record.
2. From the **Choose submission** page, select the most appropriate engagement type template.

3. Add your **Engagement** details to the record, ensuring that all fields marked with a red asterisk are completed.
4. To add a link to a related content, select the type you wish to relate your content to under **Relations**, then begin typing the name of the content. Select the related content from the drop-down menu.

**Relations**

- Activities
- Research outputs
- Prizes
- Press/Media

**Note:** The related content must already be entered into the UWA Profiles and Research Repository. If you have just added the related content item, it may not yet be viewable when you search for it. In this instance, **Save** the record and edit it once that content item becomes available.

**Adding Prizes and Awards**

1. Once logged into the **UWA Profiles and Research Repository**, hover over the **Prizes/awards** content type to reveal the + symbol, then click on the symbol to add a record.

2. From the **Choose submission** page, select the most appropriate **Prize** or **Award** template from the list provided.
3. Add your Prize details to the record, ensuring that all fields marked with a red asterisk are completed.

4. To add a link to a related content, select the type you wish to relate your content to under Relations, then begin typing the name of the content. Select the related content from the drop-down menu.

Note: The related content must already be entered into the UWA Profiles and Research Repository. If you have just added the related content item, it may not yet be viewable when you search for it. In this instance, Save the record and edit it once that content item becomes available.

Adding Press and Media

1. Once logged into the UWA Profiles and Research Repository, hover over the Press/Media content type to reveal the + symbol, then click on the symbol to add a record.
2. From the **Choose submission** page, select the most appropriate **Prize or Award** template from the list provided.
