UnifiGuest on iPhone, iPod Touch and iPad

**Step One**
Click on the “Settings” icon.

**Step Two**
Select Wi-Fi and make sure it is turned ON. You will be presented with a list of wireless networks.

**Step Three**
Select “UnifiGuest” and after a few moments you will be presented with the “Welcome to UnifiGuest” authentication screen:

Please review the Computer and Software Use Regulations. When you are ready, tick the “I agree” box and enter the username and password your UnifiGuest Sponsor has provided you with.

**Note:** Your username is the e-mail address which your UnifiGuest password was sent to.

You are connected!

UnifiGuest on iPhone, iPod Touch and iPad

You will see the above authentication message appear briefly and then be returned to the wireless networks list.

You should see a tick next to the UnifiGuest, signifying you are connected successfully:
