Step one
Navigate to the Class Allocation System (CAS) at www.cas.uwa.edu.au and log in with your credentials.

Step two
Scroll down until you locate the ‘Your Timetable as an iCalendar feed’ section.

Right-click on ‘This iCalendar URL’ and select ‘Copy link address’ or similar.

Step three
Navigate to your Student Email at http://mail.student.uwa.edu.au and log in with your student number and Pheme password.

Click on ‘Calendar’ at the top of the page to open Student Calendaring.

Step four
Locate the ‘Other calendars’ section on the left side of the page and click on the down arrow.

Choose ‘add by URL’.

Paste in the URL you copied in step two then select ‘Add Calendar’.
You are done!

After a moment your classes will appear in your Student Calendaring.

Doesn’t work?

Help is available! But before coming for help, please try the following:

- Double-check your student number and Pheme password are correct and your password has not expired
- Move around to ensure you are in a location with good wireless reception

If it still doesn’t work, contact the University Library.
